

Chadwick Center
for Children & Families

SEEKING A SKILLED EXECUTIVE DIRECTOR!

The Chadwick Center for Children and Families at Rady Children's Hospital- San Diego is currently recruiting an Executive Director (ED). The ED leads and coordinates the functions and activities of Chadwick Center, one of the largest hospital-based Children's Advocacy Centers (CAC) and trauma treatment centers in the nation. Chadwick provides family-focused and trauma-informed services to children and adolescents who may have experienced or witnessed maltreatment, abuse, or violence.

The ED represents the CAC and hospital in a wide range of local, state, national, and international collaborative efforts. The ED is responsible for overseeing the budget, guiding and participating in the development of strategic plans and initiatives, the delivery of programs and services, the enhancement of relationships with partner organizations and the development and implementation of community education and awareness initiatives in accordance with its mission and vision to be a leading advocate in the healing and prevention of child abuse.

Minimum Requirements:

- Master's degree
- 10+ years of experience
- Recognized experience in child maltreatment field with strong speaking and publication track record

Preferred Requirements:

- Doctorate degree (non MD)
- 15+ years of experience

The ED also provides leadership to Chadwick Center's Annual International Conference on Child and Family Maltreatment and supports other Chadwick initiatives, such as the California Evidence-Based Clearinghouse on Child Welfare, the Western Regional Children's Advocacy Center, and the California Training Institute. The ED continually utilizes performance improvement techniques and problem-solving skills to improve services, organizational and budget performance and efficiency.
